Teacher on Call

Would you like to be a substitute teacher when a member is sick, on a holiday, or busy with festival? Consider being listed on the Teacher on Call list. If you are interested, please include what you teach and where you would be willing to travel to.

Accompanist / Collaborative Performer

If you would like to be an accompanist/collaborative performer, consider being included on this list. Please include the area that you would be willing to travel to and what instruments you would prefer accompanying.

Clinicians List

This list is for experienced clinicians, adjudicators and/or examiners.

Adjudicators

This is an option for teachers who would be available to adjudicate. It is entirely possible that we have members who really would like to try their hand at adjudicating but are reluctant to just “hang out a shingle” because they have little or no experience.
